Rhythm of my Day! (Birth to 18 months)

Tues 9-10:00 AM

This class will help you bring more rhythm and routine to your baby's day, as well as help develop lasting learning skills. This music will soothe your little one into the day's schedule and help build a strong body and mind network for learning. You can bring home those same stress-free play and relaxation techniques from class, and incorporate them into your daily routines. Home materials include: CD of beautifully arranged songs from class, *The Rhythm of My Day*—a colorful picture board book with class themes, a set of Art Banners, and an instrument for music-making at home.

CREATURES in my Backyard (18 months to 3 year)

Tues 10:15-11:15 AM

An introduction to many backyard friends! Give your child something to sing about in her own backyard. Be the flower from the "seed's" perspective. Run and jump in rain puddles made from hula hoops. Snack on whole wheat mini-waffles dipped in honey, just like a real honeycomb. Shoo real flies and sing "Shoo Fly."

ADVENTURES AROUND THE WORLD (Ages 4 to 6)

Tues. 11:30-1:00 P.M.

Take an imaginary trip—exploring the exotic cultures of Germany, Japan, Africa, England, and Mexico. Play the native instruments. Drape sheets over cardboard boxes and sing over the German mountain tops. Toss peanuts on the floor and bring good luck to one's home in this Japanese custom. Send messages in Nigeria with "talking drums." Home Materials include: CD, Arts and Craft materials, Picture Folder set, and Travel Bag.
